

Below are the list of organisations who have received funding through the AXA Parks Fund, 2022.

Clann Eireann Youth Club	towards the Clann Éireann Community Garden in North Lurgan.
Cregagh Primary School	towards the creation of an allotments area and landscaping in Cregagh Primary School - Poppy's Garden
Killyhommon PS	towards the transformation of an unused space to create Killyhommon Wildlife Garden, open for the school and community members to benefit.
Ashes to Gold	towards the Ashes To Gold @Moorbrook project, enhancing a green space and wooded area and delivering a habitat information programme for visitors to Moorbrook fishery in Coleraine.
Cairde Eochair (Friends of Augher)	towards the development of an 800m green trail in Augher.
Gillygooley Youth & Development Association	towards the Green Space (Stage 2) project to develop and enhance an already established community space in Gillygooley.
Groundwork NI	towards improving awareness of their community gardens while improving facilities and biodiversity in four green spaces.
Harmony Community Trust, Glebe House	towards the seedbed project. Transforming an unused space to a community growing space for all ages, improving learning and participating in growing organic flowers, fruit and vegetables.
Cloughmills Community Action Team	towards a community garden, enhancing the existing biodiversity. Developing a space with a range of features to provide opportunities for practical engagement, education and awareness and ultimately improve emotional and physical well being across different age groups.

Cavehill Primary School Parent and Teacher Association	towards the 'Wildlife Wonderland' project, creating a sensory wildlife garden in Cavehill.
Rouskey Community and Development Association	towards the Rouskey Community Garden project in the Owenkillew area.
Glenavy Community Support Group	towards the redevelopment of a 10 hectare site in Glenavy, in order to re-establish hedgerows, native trees and wildlife, as well as a green community space.
Creggan Country Park Enterprises	towards the Nature On Your Doorstep project in Derry/Londonderry. Connecting people with nature and enhancing biodiversity in the area.
