## Support the Give Inc Women's Fund

Give Inc Women's Fund was launched in July 2025.

It is a new collaboration between the Give Inc giving circle and the Community Foundation for Northern Ireland's Women's Fund.

Give Inc, Ireland's first giving circle, was established in Summer 2008. The idea is a simple one.

A group of women pool their funds, donating £1 a day.

They used the money to support mainly women and children in our communities with small grants.

The Women's Fund was established in Spring 2012 to assist women to create and develop new opportunities in their own lives, leading to a better life for themselves, their families and community.

These funds have come together to give you the 'Give Inc Women's Fund'.

## Suggested Donation Levels

- **£50/month\*** – our '**Gold donation**' allows you to join an exclusive group of 100 donors, who will have a say on the giving of the group
- **£30/month** – our '**Everyday Woman**' is our most popular group. By giving just £1 per day you help boost our giving levels helping those in need
- **£15/month** – our '**Miss Giving**' group allows young people and others with limited income to join the giving circle
- Our '**Quick Giving**' allows you to give a one time donation of whatever amount you wish from £10 upwards

*\*£50 is a minimum donation. Those wishing to give more each month will automatically be added to this group*

## Your contribution can:

- support women parenting alone, including with bills, bunk beds, sports club fees, and children's presents.
- help with legal, admin, and other fees and costs, for marginalised women fleeing violence and different types of harms.
- provide flowers, chocolates, cards, clothes, make up, and pamper packs, for bereaved women, care experienced girls, and others, in need of a boost.
- assist with the cost of training programmes and course materials for women and girls building their confidence, life skills, education and employability.

"Give Inc support with stock shelving was invaluable we started out. It transformed our processes for delivery of toiletries to marginalised groups."

Becky Bellamy, Another World Belfast CIC
